AWARD-WINNING NATURAL SPRING WATER FROM
THE ORGANIC FIELDS OF LLANLLYR, WALES

Since 1180, Llanllyr (pronounced “clan-clear”) water has been drawn from the organic fields of Lampeter, West Wales, in the heart of a glacial valley. For over 300 years the same family has organically farmed the land of Llanllyr to protect this wonderfully balanced and natural resource that is replenished by constant rainfall. The result is one of the world’s purest all natural spring waters.

UNIQUE QUALITIES:

Certified organic fields: Llanllyr SOURCE is one of the only spring waters in the world to be drawn from certified organic land.

All natural: No artificial additives, preservatives, sweeteners or calories. GMO and gluten free.

Mineral balance: Llanllyr has a perfectly balanced mineral content and is low in sodium, fitting for a low-sodium diet.

Sustainability & Environmental: Sustainability and environmental responsibility is at the heart of Llanllyr SOURCE and is manifest in everything we do. We continually strive to reduce packaging weight, use recycled materials and commit to sustainability through our organic land certification and carbon neutral accreditation. Llanllyr Water Company has attained the highest level of environmental certification from Green Dragon (5).

Charitable: the Llanllyr Water Company contributes to a number of charities including Just a Drop, The Anthony Nolan Trust, Seakeepers, and Hope HIV.
